

St James Sports Premium Funding 2019/20

As a school we receive £19,900 to help support the delivery of a high quality PE curriculum and make additional and sustainable improvements to the quality of PE and sport offered. Here is a breakdown of expenditure:

Key objectives and anticipated benefits	Specific year group/key groups to be targeted	Proposed outside agencies/companies involved	Anticipated Cost
Further engage all pupils in regular physical activity – kick-starting healthy active lifestyles			
<ul style="list-style-type: none"> ➤ Playground zoning in KS2 will be embedded with higher quality football nets being purchased due to the success of their use last year. ➤ After-school clubs that encourage physical activity will be included for both Key Stages. Children in KS1 will also have the opportunity to take part in a cookery club to teach them about healthy lifestyle and food choices. ➤ Additional lunch time clubs will provide KS2 children with further physical activities that they can take part in to ensure regular physical activity. 	<p>KS1/KS2</p> <p>KS1/KS2</p> <p>KS2</p>	<p>TTS</p> <p>Sports Plus Tesco Cookery Group</p> <p>Sports Plus</p>	£500
Increase the profile of PE and sport being raised across the school as a tool for whole school improvement			
<ul style="list-style-type: none"> ➤ Improve maths fluency of EYFS/KS1 pupils by providing greater opportunities to use maths in the outdoor spaces, both increasing their maths knowledge and activity levels. Identify appropriate resources such as giant outdoor number frames or outdoor hundred square chalkboards. Identify the costing of playground marking so that further games can be played. ➤ Implement West Brom Ambassadors so that children in Year Y4/Y5/Y6 can have experience in developing their leadership skills, teaching the children how to be better citizens as they grow into young adults and how to be leaders in their own community by organising games and activities and being mediators for younger children and develop their sporting skills and knowledge too 	<p>EYFS/KS1</p> <p>KS2</p>	<p>Sports Plus</p> <p>West Bromwich Albion Foundation</p>	£2592

<p>Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <ul style="list-style-type: none"> ➤ Each class will have an additional extended PE session every 3 weeks to work alongside the sports coaches, classteachers and support staff. ➤ The sports coaches will deliver a different element of PE and further support the teachers' confidence and increase levels of competitive sports. The sports coach will deliver the taught session to the year group and the class teacher will then continue the session, being supported by the sports coach. The onus now needs to be on the teacher delivering the session and the Sports Coach supporting them in effectively doing so. 	KSI/KS2	Sports Plus	
<p>Provide a broader experience of a range of sports and activities offered to all pupils</p> <ul style="list-style-type: none"> ➤ As above, each class will have an additional extended PE session where they will be taught an unfamiliar sport. They will experience a range of sports that they might not have heard of nor had the opportunity to play in the past. The session will culminate in a competition whereby the winners will receive medals and certificates. ➤ Children are now more confident in a greater range of games and sports. Equipment for these sports needs to be purchased so that they can now be regularly accessed, rather than relying on Sports Plus to loan equipment. 	KSI/KS2	Sports Plus	
<p>Provide an increased opportunity to participate in competitive sport</p> <ul style="list-style-type: none"> ➤ Every half-term, children will have the opportunity to compete in an inter-house tournament. The sport will be dependant the children's interests and the sport that they learnt during their additional PE sessions. They will have to compete with other children within their year group and work as a team with their peers. ➤ School sports teams will have greater opportunities to compete with other local schools. Teams will be developed through after-school and lunch clubs. This will be arranged through the School Games initiative. 	KSI/KS2	In-School
